

Documentation of the peer counselling sessions

Peer to peer counselling is part of the academic training programme 'Supervision in Science'. Please attend two sessions, á 3h/ 4 working units = total of 8 working units. Registration is binding and must be made via the registration form on the JUNO website.

Please document your participation and the most important aspects of the peer counselling session in a short, informal report (1-2 pages). **Please remember that the content discussed in the peer counselling session is CONFIDENTIAL and treat it accordingly in the subsequent documentation.**

- Date and Number of participants
- Aspects of the discussed topic(s)/case(s)
- What role have I taken on (case presenter, reflection partner, moderator)?
- What insights do I take away for myself?
- What was I able to take away for my own supervision tasks?

Key points on the success of the peer to peer session

- What worked well?
- What needs improvement?
